35 Defendants object to various motions purportedly filed by plaintiff for the
36 following reason: Though this case is subject to mandatory electronic filing,
37 plaintiff failed to electronically file said pleadings, thereby preventing defense
38 counsel for obtaining or reviewing same online. At the same time, plaintiff has
39 failed to serve said pleadings on defense counsel by other methods, and has
40 failed to file certificates of service demonstrating proper service. Since defense
41 counsel has not been properly served he cannot and will not respond to said
